*This form serves as both your waiver of any and all damages either physical or monetary toward any of the event sponsors or the volunteers. Riding is difficult, dangerous, potentially life threatening and EXTREMELY FUN, but that means you have to be logical and take your own chances. By signing this form or accepting a map you are taking place in the event and agree not to sue anyone involved in the event for any reason. By Not signing the form you are not taking part in the event and are simply a trail user and not a part of the event.
